ABOUT JCS LIVE

JCS LIVE is a tuition-free public virtual charter high school that provides students with a personalized, flexible, and engaging online learning experience. Through live virtual instruction, individualized academic pathways, and strong partnerships with families, students are empowered to achieve academic success while preparing for college, careers, and lifelong learning. The program serves students throughout San Diego, Orange, Riverside, and Imperial Counties in a fully online environment designed to meet the diverse needs of today's learners.

STUDENT EXPERIENCES

A Connected Virtual Learning Community

Although JCS LIVE is fully virtual, students have opportunities to build relationships, engage with peers, and participate in meaningful learning experiences.

Interactive instruction and support from credentialed teachers.

Counseling support, career planning, FAFSA assistance, and preparation for life after high school.

Opportunities for leadership, connection, and involvement.

In-person opportunities that allow students to connect beyond the virtual classroom.

Opportunities for students to develop relationships and engage with classmates.

WHY STUDENTS CHOOSE US

PERSONALIZED LEARNING

Curriculum is tailored to each student's interests, goals, and learning style.

FLEXIBLE SCHEDULING

Students choose from accelerated six-week sessions or traditional eighteen-week semesters.

REAL -WORLD LEARNING

Students participate in field trips, clubs, peer mentorship, leadership opportunities, and community-based experiences.

UC/CSU A-G APPROVED COURSES

College preparatory courses that open doors to your future.

COLLEGE & CAREER READINESS

Students have access to Honors, AP courses, dual enrollment opportunities, internships, work experience, and dedicated academic counseling.

FAMILY PARTNERSHIP

We work together with families to support student success.

“Preparing every student for college, career, and lifelong success.”
